About Us

The mission of the NHS Foundation is to raise awareness and financial support for the children and adults supported by NHS and to provide NHS staff with the tools and resources necessary to better serve and maximize the potential of all individuals in NHS programs.

NHS has been at the forefront of providing care and services to people with special needs since 1969. Today NHS, through its subsidiaries, is one of the largest providers of community-based, non-profit human services and special education services in the country. More than 10,000 staff provides care to almost 50,000 adults, children, and families in almost 700 facilities throughout multiple states. NHS has developed a unique continuum of care providing services in the areas of behavioral health, education and autism, and intellectual and developmental disabilities.
